

LADOIX

TERROIR

Located to the North of the Côte de Beaune, the Ladoix appellation produces great red and white wines. The vines here have excellent exposure to the sun because they are planted on the Corton mountain.

TASTING

Beautiful gold color. Some citrus aromas appear on the first nose and then also comes with yellow fruit aromas like peach. When you drink it, this wine fills the mouth with a nice acidity while being round and well-balanced.

FOOD MATCHING

Fish, poultry with sauce or also great with cheeses.
